Who Are You Following?

Dear Readers,

We tend to hear a good amount about leadership these days, yet no matter how much we are leaders we are also follows. Paul Shafer said: "The most important single influence in the life of a person is another person ...who is worthy of emulation."

Consider it – who in your life is worthy of emulation? Who are you following? We are attempting to follow Jesus the Christ. He shows us a life of service. Demonstrated in him is a life where love forms the core and all actions emerge as a result of love. In him, love leads. It leads to the cross and to the empty tomb too. Love leads—and it is worth following!

Blessings,
