## Excellence

Dear Readers,

Michael J. Fox said: "I am careful not to confuse excellence with perfection. Excellence, I can reach for; perfection is God's business."

God has called us to live with excellence. Excellence can be defined in many ways. Perhaps defining excellence with the idea of the extent to which we demonstrate love towards others can serve as a working definition. What is the quality of our love for others? How are we living beyond ourselves? In what ways are we making a difference for those we encounter this day? All of this is a matter of excellence and it too is God's business. Ultimately, isn't it God's perfect love that inspires any excellence in us?

Blessings,

Rev. Dr. Daris S. Bultena, Pastor  
Minister of Word and Sacrament
