## "Glory to God"

Dear Readers,

"To you is born this day in the city of David a Savior, who is the Messiah, the Lord." The whole chorus of angels joins in the chant: "Glory to God in the highest heaven, and on earth peace among those whom God favors." Oh those shepherds – certainly surprised, but also courageous. They had the courage to step away from their nightly duties and risk the journey into the town to find the child. They stepped out of their role that night.

May we will be like those Shepherds of old. May we will take the time and the opportunity to step out of our roles, duties, and obligations long enough to truly behold the wonder of our God born and living among us. May Jesus be the center of all we do now, and may he be our center in the coming year too. May we always have the courage to follow him where the journey of life carries us.

Blessings,
