Graduation

Dear Readers,

Good Shepherd Children's Center will "graduate" its class of 2011. It is one of those graduations which will make all in attendance smile. In 13 years, 2024, these children will graduate from High School and set out into the world with their first formal degree. Their "education" began here, and we pray they learned what we each need to learn each day of our lives.

The most important lessons are not about numbers and reading; the most important lessons are these: God loves us, we are to love each other, and being a friend is how we live that out. Should we learn such lessons we will be graduation ready too.

Blessings,
