"God Identity"

Dear Readers,

The Baptism of the Lord is observed on Sunday, January 8th. In being baptized Jesus was identifying himself as a person who publically would stand up for God and be counted as one of God's disciples. He identified himself in his actions as a religious faith seeker of the Creator God.

Identity matters. How we identify ourselves matters—even how we identify ourselves to our self... Do you understand and see yourself as a member of God's family? Do you claim your identity as a Son or Daughter of God? That IS your identity; it IS who you are! It says it in Scripture and it is a sure promise: "See what love God has given us that we should be children of God, and that is what we are."

Blessings,
